

XRAY X4'24'

The diagram illustrates the chassis from three perspectives: FRONT, BOTTOM VIEW, and REAR. Key components and options include:

- FRONT VIEW:** Features a **STEER. LOCK** with a **Full** setting and a **/degr.** label. It also shows **FR** and **RE** servo connections to a **SERVO HOLDER**.
- BOTTOM VIEW:** Shows the **MOTOR MOUNT** and **CHASSIS** options: **GRAPHITE** (selected with a red X), **ALU**, and **ALU 1.5mm**.
- REAR VIEW:** Includes a **T-BRACE** with **ALU** and **BRASS** options, and **REAR ARMS** with **MEDIUM** (selected with a red X) and **HARD** options.
- Other Components:** The diagram also shows **FRONT ARMS** with **MEDIUM** (selected with a red X) and **HARD** options, and a **CHASSIS T-BRACE**.
