

XRAY X4'24'

The diagram illustrates the chassis assembly options across three views:

- FRONT VIEW:** Shows the steering mechanism with a "STEER. LOCK" set to 25 /degr.
- BOTTOM VIEW:** Shows the central "SERVO HOLDER" with "FR" and "RE" ports, the "MOTOR MOUNT", and the "CHASSIS T-BRACE".
- REAR VIEW:** Shows the rear suspension and drive system.

Material selection checkboxes are provided for several key components:

- T-BRACE:** ALU (checked), BRASS (unchecked).
- FRONT ARMS:** MEDIUM (checked), HARD (unchecked).
- CHASSIS:** GRAPHITE (checked), ALU (unchecked), ALU 1.5mm (unchecked).
- REAR ARMS:** MEDIUM (checked), HARD (unchecked).
